This online course explored some key moments of American history, examining the country's domestic history and foreign relations. The topics covered in the course included the Civil War, Reconstruction, segregation, and US expansion and foreign policy into the 19th century.

STUDY REQUIREMENT

3 weeks, 3 hours per week

LEARNING OUTCOMES

- Articulate core knowledge of American history in the period since the Civil War, encompassing themes, events, movements, and people from 1865-1919.
- Critically analyse interpretations of America's past, and the primary source documentation that underpins them.
- Communicate clear and concise arguments in written forms that address issues in American history during this period.

SYLLABUS

- Industrialisation, immigration, and urbanisation in the post-Civil War period
- Race relations from 1865-1919
- American foreign policy since the late nineteenth century
